fastest and easiest way to stay on top of
everything happening in education!**

Stay at the forefront of federal education legislation, policy and research.

Each weekday, the education community's independent daily news source, ***Education Daily***[®], gives you a quick scan of the national education horizon -- so you can zero in on what's important for our schools. You get easy access to:

- Daily news on Congress, the U.S. Department of Education and other key federal agencies
- Detailed examinations of issues related to implementation of -- and compliance with -- education laws and policies
- The latest education reports, surveys and research
- And much more!
